Request A Cabin Mate

Optional

While you are welcome to request a cabin mate, we **cannot guarantee** them as we do not assign cabins until the campers get here for camp. However, the earlier they come to registration on Monday, the more likely it is that they can be in the same cabin, especially if they come together. If they do come separately, the one who arrives first could mention that he/she wishes to be with the other one, and the "Cabin Assigners" will do what they can.

Cabin Mate 2

Step 13. The next screen allows the camper to choose up to two cabin mates. When complete, select *Continue*.
