PASTORS TOOLBOX

THEME: Effective Ministry to Your Neighborhood

SPEAKERS

Steve Anderson

Administrator for North America, Asia, and the Pacific Baptist Mid-Missions

Michael Carlyle

Scripture Engagement Department Bibles International, BMM

NOTE FROM THE DIRECTOR

Plan to come and join us for a time of refreshment, relaxation, and recharging. The food will be great, the fellowship sweet. Best of all, the cost is FREE and we have a couple of gifts for you. Steve Anderson and Michael Carlyle want to be a blessing to you and add some more “tools” to your “ministry toolbox” as you seek to serve God. We are confident you will be challenged and encouraged by the sessions. We hope to see you there!

Please note: This Toolbox is limited to pastoral staff members, missionaries, or evangelists. Men must be at least college-age and involved in some sort of pastoral capacity to attend.

Steve Anderson served as the senior pastor of Faith Baptist Church in Fowler, CO for 12 years, leading a successful revitalization ministry and transitioning to service with Baptist Mid-Missions in the summer of 2021 as the Administrator for North America, Asia, and the Pacific regions. He is the host of the SEND938 Podcast, a ministry of BMM designed to equip, encourage, and inspire the next generation of missionary servants and the churches who will send them. Steve and his wife of 17 years are both FBBC&TS Alumnis raising 2 daughters in North Central Ohio.

The Lord called Michael and Julie Carlyle to full-time ministry later in life while Michael was a sales and marketing manager for a large company in Detroit. After Michael graduated from Virginia Beach Theological Seminary (MBS and MDiv), they served in Cambodia with Baptist Mid-Missions for 13 years, both in theological education and in church planting and development. In 2022, the Lord redirected them to Bibles International, the Bible society of Baptist Mid-Missions, where Michael serves as manager of the Scripture Engagement Department. He is also a doctoral candidate in the DMin program at Bob Jones University. Michael and Julie have four daughters and eight grandchildren.
